

Competitive Grants

Approximately \$1.2 million is available for competitive grants in the 2003-2005 biennium. These grants will be awarded on a competitive basis to those jurisdictions that do not have grant funds reserved for them as part of the Growth Management Update Grants program this biennium (i.e., jurisdictions whose deadlines for updating their comprehensive plans and development regulations are in 2006 or 2007 per RCW 36.70A.130). In addition, jurisdictions that must continue the Buildable Lands program (RCW 36.70A.215) are eligible to apply in this category only for activities directly related to Buildable Lands. Applications will be mailed to eligible jurisdictions September 8, 2003.
